Gift Aid your Subscription at no extra cost

The Association is a charity so we can claim an additional 20% from the Government. Please tick the Gift Aid box below and sign the declaration. If you are a higher rate tax payer then you can claim higher rate tax relief as well.

I am a UK taxpayer and would like the Family Doctor Association to treat all subscriptions I have made in the last six years, and all subscriptions I make hereafter, as Gift Aid donations. I understand that I must have paid an amount of income tax or capital gains tax at least equal to the tax you reclaim on my subscriptions.
